About Clifton Park Hospital

At Clifton Park Hospital we offer fast access to the highest standards of care, so people know they can trust us to help them get better quickly. As the biggest provider of NHS procedures after the NHS you can count on first class treatment. Alongside NHS cases we also treat self-funded and private patients, with recognition by all major insurers.

Clifton Park Hospital Orthopaedic Centre of Excellence

- **Specialist Orthopaedic Care** - Consultant lead care from initial consultation through to discharge, by fellowship trained sub-specialists focussing on one joint and all working for the NHS in York. Specialist orthopaedic care provided by a long standing orthopaedic trained team of doctors, nurses, physiotherapists, radiographers and support staff.
- **One-stop Shop for Orthopaedic Care** - Established inpatient and day care unit alongside dedicated outpatients facility, with modern diagnostic and on-site MRI scanning facilities.
- **Excellent Patient Outcomes** - Extremely low infection rates with no reported cases of MRSA. Excellent outcomes in national benchmarking registers such as National Joint Registry (NJR) & Patient Reported Outcomes Measures (PROMs).
- **Outstanding Patient Satisfaction** - Consistent score of 100% for Patients Friends and Family Survey and glowing testimonials from individual patients.
- **Convenient Location and Free Parking** - Easy access from York outer ring road.

Private Patient **Manager**

As Clifton Park Hospital is committed to the provision of a first class, high quality experience for all patients, we provide a Private Patient Manager service.

Joanna is available throughout consultation, treatment and aftercare to offer a personalised service to each patient dependent on their needs and wishes. She is able to provide the vital link required between patients and their Consultant facilitating a streamlined treatment pathway.

What our Private Patient Manager offers

Joanna will:

- Be a point of contact for all private patients.
- Manage the private patient journey.
- Answer private patient queries within 24 hours Monday to Friday.
- Walk patients through the various stages of their private treatment and help with queries or concerns regarding referrals, insurance or anything else relating to their hospital stay.
- Ensure any special requirements are met before, during or after a patient's visit.

Joanna can be contacted directly as follows:

GP Liaison **Officer**

In order to facilitate relationships between Clifton Park Hospital and the wider healthcare community, we have a dedicated GP Liaison Officer working both in and around the Yorkshire area. Marissa is responsible for building and developing relationships between those referring their patients and the hospital providing this treatment. She is able to utilise the expertise of our Consultants to provide training and educational events to GPs, Practice Managers, Nurse Practitioners and Physiotherapists enabling continued professional development.

What our GPL offers

Marissa will provide:

- Lunch and Learn educational sessions.
- Consultant-led training for professionals.
- Social events and GP networking opportunities.
- Medical secretary workshops.
- Online referral system support.
- GP referral literature and regular hospital updates.
- A direct liaison between referrers, Consultants and hospital services.

Referring patients to **Clifton Park Hospital**

The Ramsay Health Care online Patient Referral system has been designed to allow you to refer private patients easily, quickly and securely to your Ramsay hospital of choice. As well as being quick and easy to complete, using the online system will also help reduce your postage costs and speed up the referral process - all in a secure, online environment.

To make a private referral, simply visit **ramsayhealth.co.uk/patientreferral** and complete the short form.

Clifton Park Hospital is equipped to receive both Private and NHS referrals. To refer NHS patients, please use the Electronic Referral System (ERS). ERS will provide all the required information regarding each Consultant and their availability.

Should you have any further queries, please contact your dedicated GP Liaison Officer or Private Patient Manager who will be happy to help.
